# COMMUNITY SPOTLIGHT

Bryan Kelchlin is one of our newest employees. He is the District's Grounds Maintenance Specialist. His job is to maintain and create a beautiful and inviting outdoor space for the public to enjoy. He loves working outside and takes great pride in making sure the park looks it's best.

Bryan is originally from New York. Other family members drew him out west in 2009. He moved to the Portland area where he met his wife, Marie. They moved down to Eugene and in 2019 got married and have a beautiful little girl, Gia. Bryan was a Wildland Firefighter based out of Springfield and Redmond prior to getting the job at the park.

He has always loved Emerald Park. His daughter took swim lessons here and he loves the sense of community the people and park provide.

We are so happy to have Bryan on our team! Please say hello when you see him out and about.
